

How to Play

CHRISTMAS BINGO

Everything you need for a family, classroom or office bingo game.

Print the cards (one per player) and cut apart the calling cards.

Put the calling cards in a hat, stocking or bowl.

The caller draws one card at a time and reads it out loud.

Players mark the word if it is on their card. The middle square is FREE.

First to mark five in a row (across, down or diagonal) shouts "MERRY!"

Check the winner's card against the called words, then play again.

Variations: four corners, picture frame (all edges) or blackout (whole card).

Picture cards suit little ones; word cards suit readers and adults. Every card is different.

Use candy, buttons or a pen as markers.
